

# MIRAGE

## THE NEW FULLY INCLUSIVE SWING SEAT FROM SMP

- ◆ A new concept in swing seat design: exciting, cool, racing car styling to attract all children
- ◆ Meets DDA requirements for accessibility: a genuinely inclusive seat
- ◆ Tested & certified to EN1176

FM01675

EN1176 KM10630

### Additional features and benefits:

- ◆ Provides full body support
- ◆ Reclined body position and contoured design offers maximum comfort and support to all users
- ◆ An optional "take-away" security harness is available for users with certain disabilities
- ◆ Design and accessories are the result of 2 years consultation with users, carers and professionals

### Optional "Take-away" Harness:

(The Mirage will be supplied WITHOUT a harness as standard)

- ◆ A bespoke, 5 point harness has been developed for this seat providing many advantages to disabled users over a "one size fits all" rigid restraint.
- ◆ Fully adjustable:
  - all parts of the harness can be adjusted for comfort & secure fitting
  - fitting positions to the seat are also adjustable for comfort & safety
  - A quick release button is included in the design
- ◆ As a separate component the Mirage "take-away" harness can be easily and securely attached and removed from the seat by a carer.
- ◆ Mirage "take-away" harness can be ordered separately to the seat by a private individual or organisation. Please contact SMP for further details.

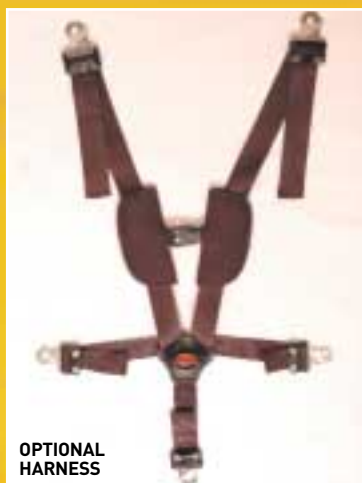

(Please note: the Mirage harness is only suitable for supervised situations)

### Technical details:

- ◆ Manufactured from roto-moulded polyethylene with full UV protection. All fittings are stainless steel.
- ◆ Supplied with SMP galvanised swing chains and fixings to suit a 6' or 8' high swing beam
- ◆ Can be retro-fitted to SMP 6' or 8' high Delta swing frames
- ◆ Certified to EN1176 for unsupervised use (without harness) including impact test requirements
- ◆ Registered Design: Community Design Registration No: 000283742
- ◆ External Dimensions: 830mm height, 550mm width, 460mm depth; 7kg weight (without chains)

STAINLESS STEEL FITTINGS
